

2010 – 2011 Hagerstown Youth Hockey Association

Volunteer Policy

A separate check, payable to HYHA (postdated for February 28, 2011) for the amount of \$100 (travel teams) or \$50 (mite rec. only) volunteer fee, is mandatory at the time of registration. This check is a deposit and will not be cashed. After all 10 hours (travel teams) or 5 hours (mite rec. only) have been completed your check will be shredded. If you would like the check back voided, contact treasurer@hagerstownhockey.com after March 1, 2011. If a family does not complete the 10 hours or 5 hours respectively, the full deposit will be forfeited and the check will be cashed. Families who have players on both mite rec and a travel team will follow the travel team requirements.

FAQs:

Q: How do I know where help is needed? How do I sign up to volunteer?

A: Volunteer opportunities will be posted to the website at the beginning of the season (usually August) or through the team manager.

Q: I usually help out with the clock or penalty box during my child's games. Does that count?

A: No. Clock workers, scorebooks and penalty box volunteers during the regular season do not satisfy the volunteer requirement. These tasks are considered team related activities and each family is required to assist the team manager in performing these tasks.

Q: How do I prove that I've completed my hours?

A: The team manager will verify all volunteer hours completed for each activity.
